## **\*\*HINTS AND TIPS\*\***

When deciding as to which section to best enter your print, it may help to ask yourself, "What is the dominant feature in the photo?" and "Does that feature fit with the title of the section?". When mounting your photo, best results are achieved with double sided tape onto thicker paper or light cardboard. Pads of A5 artist paper are a quick easy shortcut, as already the right size. Mounts can be any colour, and layering of colours is accepted.

**\*\*Note - Mount is not considered in the judging.**
